## ALLIANCE PROGRAM

Welcome to the exciting and rewarding alliance marketing program in the new age of e-health. Umedoc Telehealth is always actively looking for partnerships to grow with the health and medical community.

As a telehealth platform, Umedoc would like to connect with local businesses to provide the most convenient and efficient services to your valuable clients together. We also believe the collaboration would provide you an edge over other competitors in the area.

Before talking about more details of this program, you might have a question.

## WHAT'S UMEDOC

Umedoc is a telehealth services platform that pairs medical providers along with people needing urgent and primary medical care all in one spot through our easy to use, secure telehealth platform.

We do this all quickly without the hassle. We accept all major commercial insurance carriers and participate in Medicare and Medicaid coverage for medical services through telehealth. We are currently serving Florida and Kentucky states, meanwhile expanding to the whole U.S.

# COLLABORATIONS PLAN

Umedoc would be able to provide the opportunities for your business to gain online exposure through multiple resources, and also provide your customers a convenient and efficient connection with high quality medical service providers via telehealth.

## Google Ads

Umedoc has a robust google ads campaign showcasing our medical service with great quality to attract patients on google search engine. Averagely we can get 90,000+ impressions and 5,000+ clicks every month.

## SEO Benefits

Umedoc is seeking opportunities to create connections with your businesses online. The following is what we plan to partner with you:

- Webpage & Links - We are able to create connecting web pages and links between both our websites.
- Default preferred Selection - For Pharmacy, Umedoc will set your business as the default preferred pharmacy for patients to get their medications.
- Social Media - Umedoc will create custom posts promoting the service collaboration.
- Discount - Umedoc can offer promotions and discounts for appointments booked through the link page.

## What You Can Do for Us

Umedoc is dedicated to building our reputation within the community, here are what we need from you to help:

- Links Exchange - We would like to connect our websites to increase the traffic.
- Postcards - We will require space for banners/postcards in your stores.
- Words of mouth - Umedoc will require your words to encourage patients to use our telehealth service.
